

# EU DECLARATION OF CONFORMITY

## 1. Product Model / Type

|                      |                              |
|----------------------|------------------------------|
| <b>Product Name:</b> | Bloom 2 in 1 Rabbit Vibrator |
| <b>Brand:</b>        | Mina                         |
| <b>Model No:</b>     | N13027                       |
| <b>Barcode:</b>      | 5060211968983                |

## 2. Manufacturer & Authorised Representative

|                              |                                                                                     |
|------------------------------|-------------------------------------------------------------------------------------|
| <b>Manufacturer Name:</b>    | Loving Joy Limited                                                                  |
| <b>Manufacturer Address:</b> | Adur Business Centre, Little High Street, Shoreham-By-Sea,<br>West Sussex, BN43 5EG |
| <b>EU RP Name:</b>           | Net1on1 Wholesale B.V. i.o                                                          |
| <b>EU RP Address:</b>        | Atoomweg 63, 3542 AA, Utrecht, Nederland                                            |

## 3. Statement of Responsibility

This declaration is issued under the sole responsibility of the product manufacturer.

## 4. Specifications

2 in 1 rabbit vibrator with removable clitoral stimulator / love egg

|                             |         |
|-----------------------------|---------|
| <b>Operation Frequency:</b> | 2.4 GHz |
| <b>Max RF Output:</b>       | 8 dBm   |

## 5. Relevant EU Harmonisation Legislation

The product described above is in conformity with the relevant legislation:

- **RoHS:** Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment and its amendment 2015/863.
- **RED (Radio Equipment Directive):** 2014/53/EU.

## 6. References to Relevant Harmonised Standards Used

References to the relevant harmonised standards used, including the date of the standard, or references to the other technical specifications, including the date of the specification, in relation to which conformity is declared:

| Directive   | Applied Standards (with Version Date)                                                                                                                                                                                                                                                       |
